Activities to Work on at Home:

Work on our letters we have been studying so far-your children should be able to make and recognize E, H, T, I, and U. Too easy? Make sure they know the sound and lowercase letter as well. Make it fun- write in sand, shaving cream, hide the letters, etc.

We are learning pictures go with words, and will start journaling next week. Start challenging your child to add words to their pictures(labeling).
